Superintendent Thomas Pandiscio reported that he had met with representatives from TLT to review the funds needed to complete the project. TLT had underestimated the cost due to an accounting error. The amount had been removed from the open COR log but had not yet been transferred to the Budget with Changeorders log. Following discussions with Business Manager Brennan, the Superintendent will be recommending short-term borrowing of \$6.1 million to cover the cost of reimbursing the Member Towns for the modular classrooms, the cost for settlement with TLT and the cost to complete the project. Superintendent Pandiscio advised the Committee that the District's financial advisor First Southwest will be shopping for short-term bonds. The recommendation for approval by the School Committee would probably be at the next School Committee meeting.

Motion: To adjourn the executive session.
